

**W52 for AIC2-5: WIPE-ABILITY TEST OF CARBON PAPER**

May 1999

**Testing conditions:**

Printability tester	AIC2-5	art.nr. 414
Printing disc	aluminium, 10 mm wide	art.nr. 402.001
Printing force	100 N	
Packing	paper	art.nr. 404.001.005
Printing speed	0,2 m/s, constant	
Setting off paper	baryta paper	

**Method of operation:**

1. Place the carbon paper and the set off paper with the carbon side to the baryta side of the set off paper on the sector.
2. Make a ? print? of the carbonpaper on the set off paper.
3. Measure the density of the ? print? on the baryta paper.
